FADE IN:

INT. IT OFFICE - DAY

THOMAS (35) in geeky business-casual wear, faces down MADISON (25) and TYLER (25), who look oddly cheerful.

THOMAS

You let a computer virus take down
the entire cell phone network.

The other two keep grinning. Tyler shrugs.

THOMAS

It got in through the Skype
gateway, hopped over the POTS
connection to our CO, infected
every single backhaul, and soon
every repeater in the city was
stuck in an infinite loop.

The other two keep grinning.

MADISON

Yup!

THOMAS

You two are supposed to monitor all
of that!

TYLER

Oops!

THOMAS

We had to zero-boot the whole
system! You killed the cell-phone
network for the whole city!

The other two keep grinning.

THOMAS

Why are you smiling?

MADISON

We're quitting our jobs --

TYLER

-- and going into MUSICAL THEATER!

Beat.

THOMAS
Yeah. You can go now.

FADE OUT.
